6- This is a request from Sri. Rupla Naik and Others for grant of lands in S.Nos. 8 & 9 of Bhikhalli village, Chincholi Tq., Gulbarga District. The S.Nos. 8 & 9 of Bhiknalli village with an extent of 57-16-0 belonging to Smt. Laxmibai has been acquired and included in the Chincholi ~~XX~~ Forest Block No.II. The compensation for this land was fixed by the F.S.O. of the erstwhile Hyderabad State during 1955 and the compensation amount of Rs.2,875/- was actually paid to the Pattadar of the land during 1961. The present applicant Sri.Rupla Naik and others are reported to be cultivating these lands as tenants of Smt.Laxmibai from the last 60 years. Now they have requested to grant this land which has been acquired for the purpose of formation of Chincholi Forest Block No.II from Smt. Laxmibai, permanently on recovery from them the compensation amount of Rs.2,875/- which has already been paid to the Pattadar by the Forest Department.

7- Now, the area under reference has already been notified U/s 4 of the H.F.A. and the Notification u/s 19 of the H.F.A. is reported to have been sent to the D.C. Gulbarga. Further, the area is situated in the heart of the forest and hence grant of the same permanently results in honeycombing of the surrounding forest area. Hence, the GCF has reported that he has instructed the D.F.O. Gulbarga to send a report in consultation with the F.S.O. as to the feasibility of allotting some Revenue land or some other forest land which can be spared conveniently. But it is reported that on enquiry it is revealed that the occupants referred to above are not willing to shift themselves from the

Serial
No.

the present area and that no other forest land can be made available without destroying the forest growth. Also, it is reported that the F.S.O. is not in a position to select the Revenue land to the applicants in the village. Further, since the applicants are cultivating the lands for generations as tenants, they have acquired some rights which have to be respected. Hence, the C.C.F. is of the view that there appears to be no alternative except to concede with the request of the applicants subject to the condition that the applicants should pay the compensation of Rs.2,875/- in one instalment immediately.

8

Also, it is reported that as per the directions of Govt., in G.L. dated 14-1-1964, he has issued directions to the D.F.O. Gulbarga not to take any action against the applicants.

9

R.D. may also see the proposal of the C.C.F. and offer remarks, if any, before further action is taken by the A & F Department.

Provides that nothing in this clause shall apply to Drum lands dealt with under chapter VI and to such other lands as may be prescribed.

RD 30/SF/64

In the present case, the lands acquired appear to be Drum lands and hence under the proviso rules above, these lands are attracted by the provisions of the H.T. & A.L. Act, 1950. The tenants having been on the land for a number of years have acquired the right of protected tenancy and the benefits conferred on them in the said Tenancy Act may have to be extended to them. The status quo will have to be maintained till the uniform Mysore Land Reforms Act, 1961 (which ~~will~~ when enforced will repeal the H.T. & A.L. Act, 1950) is brought into force. The proposal of the R.C.F. appears to be in order.

LAW DEPARTMENT:

22.

Survey Numbers 8 and 9 of Bhiknalli Village in Chincholi Taluk of Gulbarga District originally belonged to one Smt. Rani Laxmibai. Those lands are said to have been acquired and included in Chincholi Forest Block Number II. The compensation for the acquired land was fixed by the Forest Settlement Officer of the erstwhile Hyderabad State at Rupees 2,875/- during the year 1955 but the amount would appear to have been paid to Smt. Laxmibai only during 1961. She had apparently no objection to either the acquisition or the quantum of the compensation and is no longer in the picture.

23.

One Sri Rupla Naik and others have recently been submitting repeated petitions to the Government in which they have been stressing the fact that they have been longstanding tenants of the acquired land and complaining against their anticipatory eviction from the same by the authorities of the forest department. The petitioners, while praying that their possession should not be disturbed at this stage, have expressed their willingness to pay to the Government the compensation amount of Rupees 2,875/- which it had paid to Smt. Laxmibai.

24.

The Chief Conservator of Forests from whom ~~(the)~~ a report was called in the matter has stated in his letter at page 13 C.F. that

as far as could be gathered, the petitioners were tenants under the family of Smt. Laxmibai for about ^{six}~~sixteen~~ years and that ~~as~~ it would not be possible to make other provision for them in the vicinity of the acquired lands, the request of the petitioners deserves favourable consideration.

The remarks of the Revenue department appear to have been called for and are to be found in paras 12 and 13 N.F. The Revenue department is of the view that the ~~petitioners must~~ be deemed to have acquired the rights of protected tenants by virtue of their long tenancy and that even otherwise, it would be desirable to accede to their request in view of the anticipated coming into force of the Mysore Land ~~Reform~~ ^{Reforms} Act, 1961. The draft notification at pages 14 ~~and~~ to 17 C.F. having then been got ready ^{for} ~~are~~ issued, ~~and then~~ the file was referred to this department for its remarks.

The acquisition in this case appears to have been made ~~in it~~ under the provisions of the Hyderabad Land Acquisition Act 9 of 1309 Fasli which was repealed by section 2 of Mysore Act No. 17 of 1961. Section 11 of the repealed Hyderabad Act corresponding to section 12 of the Mysore Act had enacted that an award kept in the Talukdar's Office after giving notice to all interested parties would be conclusive evidence of the particulars contained therein. It is presumed that the award passed in this case contains all material particulars relating to the acquisition.

Serial
No.

25.

26.

Serial
No.

In view of the allegations contained in these petitions, it ~~is~~^{has} to be inferred that possession of the acquired lands has not so far been taken either under section 13 of the repealed Act or section 16 of the new Act. The slight distinction between the wording of those sections may not be very material for the purposes of this reference in view of the fact that though section 16(1) of Mysore Act No. 17 of 61 envisages the Deputy Commissioner taking possession of the acquired land immediately after the award is made, subsection (2) of that section lays down that the fact of taking such possession may be notified by the Deputy Commissioner in the Official Gazette and ^{that} such notification shall be evidence of such fact. In view of that enabling provision, it would apparently be open to the concerned Deputy Commissioner to issue the necessary notification in the Official Gazette after taking formal possession from the petitioners ~~and~~^{if} that course of action ~~is~~^{is} considered appropriate under the circumstances.

27.

In the absence of any definite material other than the self-serving recitals contained in these petitions, it is not possible for this department to record any opinion with regard to the status of the petitioners as tenants whether protected or otherwise. As already pointed out above, the fact of their long possession does not appear to be in dispute and the previous owner of the land Smt. Laxmibai having been paid her compensation, would apparently no longer

Serial
No.

1178/Law II/100

be interested in challenging the claims of the petitioners. They in their turn, have volunteered to make good the compensation amount paid by the Government and if their offer is intended to be accepted, then section 91 of the Mysore Land Revenue Act 1964 could be invoked for the purpose of conveying the lands to the petitioners after issuing the necessary notification under section 16 (2) of the Land Acquisition Act.

Reg. para 27 ante, the C.E. has reported that the lands in question are being cultivated by the present applicants Shri Rupla Naik and others for the last about sixty years. Naturally there appears to be no need to collect further documentary evidence to establish the protected tenancy of these tenants.

33

Rules under sec 91 of the Mysore Land Revenue Act, 1964 are still to be finalised. Until that is done, no purpose can be served in invoking the provisions of sec 91. R.D. would therefore suggest, that status quo may be maintained till the M.L. Reforms Act, 1961 and the Rules under sec 91 of the M.L. Revenue Act 1964 are brought into force.

It is not possible to make out from the papers available whether the lands in question have been acquired under the L.A. Act. It is seen from the letter of C.C.F. that the C.C.F. has stated that the compensation has been fixed by the Forest Settlement officers and paid to the falladars under the L.A. This should have been done by the Assistant Commissioner of the Rev. Dept. If the lands have been acquired under the L.A. Act, action may have to be taken as per para 27 N.P.

actually paid to Smt. Laxmibai in 1961. (vide P. 13 c/f)

One Shri Rupla Naik and others are reported to be
cultivating the above lands as tenants of Smt. Laxmibai,
for the last about 60 years. They request that the above
land be granted to them permanently on recovering from
them the compensation amount of Rs. 2,875/- paid by Govt.
to Smt. Laxmibai.

87 This acquired area has been notified Under Section 4 of the Hyderabad Forest Act. But the final Notification Under Section 19 of the Act has yet to be issued.

Minr. Forests,

M. G. PARAMASIVIAH,
Ex. Secy., A. & F. Dept.

It is seen from the records that Sri Rupla Naik and other lambadas have inherited from their ancestors the right of cultivating the lands in S.No.8 and 9 of Bhikanahalli, Chincholi Taluk, Gulberga District. Their ancestors were the tenants

of Bani Lakshmibai about 60 years ago and the cultivation of the land has descended to the present occupants. The land having been assigned to the Forest Department by Smt. Lakshmi Bai, she claimed compensation for the land and the Forest Department which took over the land paid the compensation amount of Rs. 2,875/-. After paying the compensation, the Forest Department have brought pressure upon the present occupants to vacate the land. The question of giving alternate lands was examined, but finding that there was no other suitable land available, the Forest Department decided that the present occupants should remain where they are and transferred the lands to the Revenue Department. The occupants are now requesting to grant the land permanently and that the compensation should be recovered in ten annual instalments. Permanent assignment of the lands to the present occupants is conditioned by the payment of compensation amount to the Forest Department. It is seen from the report dated 29th January 1967 of the C.C.F. that the applicant should pay compensation of Rs. 2,875/- in one instalment. Besides the Revenue Department is asking the occupants to pay twice the assessment for each year of the unauthorised occupation from the date of the possession of the land under section 19 of the Hyderabad Revenue Act 1964. A realistic approach to their capacity based on their economy is necessary. In my view, the lambadas are passing through a transition period from the throes of serfdom to build their economy through self-cultivation. Each individual is holding small holdings. In spite of their commendable initiative to develop their capacity, the income from their lands is paltry and they just make shift to live on this paltry income. In view of the high cost of living, their economy is neither flexible

nor resilience. There is therefore need to consider that the payment of compensation may be done in a phased manner instead of burdening them with payment of the same in one lump, and subjecting them to pay fine and assessment. The draft G.O. may therefore be amended to the effect that the compensation amount of Rs.2,875/- may be recovered from the occupants in ten equal annual instalments, that the fine may be waived, and usual ^{not} legitimate assessment may be levied on them.

Respected Sir,

I, the undersigned beg to bring the following few lines for your kind consideration and favourable early orders.

I, beg to bring to your kind notice that S.No. 8 of Bhikanahalli Village, Chincholi Taluk, were in our possession and enjoyment since 50 to 60 years having been cultivated by 9 families. The owner of the land Shri Rani Laxmibai has been paid the compensation and said land were included in Block No.II, of Chincholi, Gulbarga District. But on our representation to the concerned authorities, it is agreed that the land may be released to us on condition that the whole amount of Rs.2875 O.S. (Rs.2464-28 np I.G.) being the compensation amount paid to the owner Smt. Rani Laxmibai, in a lump sum, is paid to the Forest Department.

I and other tenants agree that the whole amount of Rs.2875 O.S. (i.e. I.G.Rs.2464.28 N.P.) will be paid to the Forest Department in the month of May 1964.

I therefore request humbly that till the amount is paid, the eviction proceedings now instituted by the Forest Department, may please be stayed, and protect us from being ousted out from that place and grant the same land to us for cultivation which is only source of our living.

Yours faithfully,

Bangalore.

Sir, the lands bearing S.Nos. 8 and 9 are
Inami the Patta of which is Rani Laxmi Bai and we are
its cultivators since age-old. It is difficult to say
since how long we are cultivating the said lands. But
it is true that we ourselves are the cultivators since
many years.

6/11/63

It is now learnt that the Forest Department of
Gulbarga District has taken over the said lands long
back, but have paid the compensation (or consideration)
of the said land to the Pattedar Rani Laxmibai, only
3 years back, and are now demanding us to vacate the
possession.

In this connection, we have made representa-
tion to all the concerned officers long back, giving
the facts as above. But without paying any considera-
tion to our right of acquiring the same preferably
first than the forest Department, the same are being
forcibly vacated from us, which is rather unjust.

Sir, we have already expressed our willingness
to pay the same consideration to the Forest Department,
which it has paid to the Pattedar Rani Laxmibai, so that

we may not be evicted of our long possession and may not be deprived of our only source of maintenance, as we have no other land except the above one.

It is quite unjust to snatch away the lands that we have been cultivating since years and to merge the same in the Forest Department allowing the same to become a deserted one, and thus rendering us jobless facing starvation.

We, therefore, most respectfully pray your Honour to kindly pay your personal attention to the matters and pass orders to grant Patta of the said lands in our name, after obtaining the due consideration, which the Forest Department has paid to is Pattedar - Rani Laxmi Bai, for which act of kindness, we shall be highly grateful, and shall pray ever.

The Honourable Minister,

Bangalore.

Respected Sir,

We had the honour of submitting two petitions regarding land assignments of S.Nos.8&9, Bhiknally village, Chincholi taluka, Gulberga District, to the Honourable Minister of Forests Bangalore, copy submitting to your Honour. We had prayed for issuing patta of the above S.Nos. to us after the payment of full compensation amount of Rs.(C.S.)2875/- by us, which is the amount paid by the Forest Department to Fani Laxami Bai Leshmukh of Chincholi for those two Nos.

It is learnt by us that the Divisional Forest Officer Gulberga and the Conservator of Forests Bellary have recommended our case of assignment to the Chief Conservator of Forests, Bangalore, on condition that the whole amount of Rs.C.S.2875/- is paid with interest in full at a time. We are agreeable for 10 equal instalments with interest. Nothing is known so far from the Chief Conservator of Forests Bangalore.

Since it is very difficult for us to pay the said amount in one lump, we request your Honour for recommending our case of assignment with ten instalments. Patta certificates may be issued only after full dues with interest is stand paid by us but mean while we may be allowed to till these lands, and go on paying to the Forest Department till all the said amount is realised.

It is needless to repeat that we are the peaceful dwellers of Seri tанда, a hamlet of Bhiknally deserted village, living in the heart of the Forests, that we have been cultivating these lands since ages long, even by our forefathers, that the previous Government of Hyderabad had kindly granted us tenancy protected Certificates for the above lands, and that the previous Chief Conservator of Forests Bangalore was even against awarding any compensation to the pattadar and for the continuation of the old tenancy, and more so our presence is welcomed for the working of the Forests.

Hence we pray your Honour that our case may kindly be recommended by your goodself suitably, so that we may be able to get these lands after payment of ten equal instalments. Further the Divisional Forest Officer Gulberga may kindly be asked not to evict us at present till the pendency of the case as we are facing eviction under his orders.

To,

The Hon'ble Minister Of Forests
Govt; Of Mysore in Bangalore.

Respected Sir,

At the Camp of the previous Hon'ble Minister for Forests at Chincholi during 1961, we had submitted a petition regarding land grant of S.No. 8 & 9 of Bhiknally village, Chincholi taluka.

We were told that a report was called for in this respect by the Hon'ble Minister, further we had learnt with great relief that a favourable report was sent by the RFO-Chincholi and the then DFO-Gulberga; but nothing is heard so far to what has happened further. However we are submitting a copy of our previous petition.

In this connection, we are laying the following few facts for favourable consideration of our honour.

1. That, we and our fore fathers had been cultivating S.No. 8 & 9 of Bhiknally village (deserted) measuring 57 acres 16 Guntas; on behalf of Rani Laxami Bai of Chincholi since last 60 years or so. We were awarded protected tenants certificates under ex-Hyderabad Govt; but the Pattadar was given a cash Compensation of Rs.2875/00 (O.S.) by the Forest Department for handing over these No's to the Forest Department; this brought trouble to these peaceful cultivators; and put us in a fix. The previous Chief Conservator Of Forests Bangalore kindly issued a stay order and promised to look into the matter sympathetically.

Since we do not know what our fate is going to be, we can not put our whole energy and money and try to improve these land; which is effecting annual production.

It is needless to point out that we have been residing with in the heart of the Reserve Forest very peacefully and our presence there is very much appreciated by one and all.

Since the compensation amount is only Rs.2875/00 (O.S.) we are willing to pay it to the Forest Department in ten equal instalments with interest at fixed rate. As we have been cultivating this land and since there is no alternate to us for our livelihood, we request your honour to kindly consider our case sympathetically.

Therefore we pray,

that S.No. 9 & 8 of Bhiknally village; Chincholi taluka may kindly be ordered to be allotted to us for a sum of Rs.O.S.2875/00 and permanent Patta certificates be issued in favour of the petitioners and that this amount may be collected from us in (10)

Respected Sir,

We the undersigned occupants of S.No's situated at village Seri, beg to state that the following few lines for your kind consideration and sympathetic orders there to:-

that we are cultivating the above Seri lands since our Fore Fathers as per Kowlamma given by Shrimathi Rani Laxmi Bai Deshmukh, Chincholi. We have received protected tenant tennancy certificates in Ex-Hyderabad Government. Now it is ~~very~~ being learnt that the above lands were given by Pattadar Shrimathi Rani Laxmi Bai in Forest area and got compensation from the Forest Department. Till to this date there is no objection of the poor Ryots heard and the lands are being cultivated regularly since there. A year back the Forest Officer was promised to see the case and do the needful in the favour of poor Ryots. But nothing is heard-all in the favour of poor Ryots. We have got full rights to purchase the above lands. Therefore we humbly request your honour kindly grant the Patta of the above said lands. Respected Sir,

(VEERENDRA PATIL),
Minister for Public Works

At the Camp of the previous Hon'ble Minister for Forests at Chincholi during 1961, we had submitted a petition regarding land grant of S.No.8 & 9 of Bhiknally village, Chincholi taluka. We were told that a report was called for in this respect by the Hon'ble Minister, further we had learnt with great relief that a favourable report was sent by the RFO, Chincholi and the then DFO, Gulberga; but nothing is heard so far to what has happened further. However we are submitting a copy of our previous petition.

In this connection, we are laying the following facts for favourable consideration of your honour.

1. That, we and our fore fathers had been cultivating S.No. 8 & 9 of Bhiknally village (deserted) measuring 57 acres 16 Guntas; on behalf of Rani Laxmi Bai of Chincholi since last 60 years or so. We were awarded protected tenants certificate under Ex-Hyderabad Govt; but the Pattadar was given a cash compensation of Rs.2875/00 (O.S.) by the Forest Department for handing over these No's to the Forest Department; this brought trouble to these peaceful cultivators; and put us in a fix. Therefore we pray,

The S.Nos. 8 and 9 of Bhikhalli Village,
Chincholi Taluk with an extent of 57 acres 16 guntas
belonging to the Smt. Laxmibai has been acquired and
included in Chincholi Forest Block No. 2. The com-
pensation for this land was fixed by the Forest Settle-
ment Officer of the erstwhile Hyderabad State durin
1955 and the compensation amount of Rs. 2875/- was act-
ually paid to the Pattadar of the land during 1961.
The present applicants Sri Rupla Naik and others are
stated to be cultivating these lands as tenants of
Smt. Laxmibai from the last about 60 years. Now they
are requesting to grant this land permanently on
recovery from them compensation of Rs. 2875/-. Which
was paid to the owner of the land by this department
and not to evict them from this area.

Lanner

The area under reference has already
been notified under section 4 of the Hyderabad Forest
Act and the notification under Section 19 of H.F.A.
is reported to have been sent to the Deputy Commission
Gulbarga. Further, the area is situated in the heart
of the forest and grant of the same permanently result
in honey combing of the surrounding forest area. In
view of the above reasons the Divisional Forest
Officer, Gulbarga was asked to report in Consulta-
tion with the Forest Settlement Officer, as to the
feasibility of allotting some Revenue land or some
other forest land which can be spared conveniently.
On enquiry, the Divisional Forest Officer, has
reported that the applicants are not willing to shift
themselves from the present area and that no other
forest land can also be made available without
destroying the forest growth. The Forest Settlement
Officer has also stated that no Revenue land is
available for grant to the applicants in the villa-
Further, he has stated that the applicants have been
cultivating the lands for generations as tenants and
that as the tenants of land holder they have acquire
certain rights which have to be respected. In the
above circumstances there appears to be no alternat
except to concede with the request of the applica-
subject to the condition that the applicants should

The Secretary to Government,
Agriculture and Forest Department,
B a n g a l o r e.

Sir,

Sub:-Request of Shri Rupla Naik and others for grant
of land in S.Nos. 8 and 9 of Bhiknalli Village
Chincholi Taluk.

Ref:-Your No.AND 1 FGN 64 Dated 6-7-1965.

- - - -

The land in question has already been acquired by
the Forest Settlement Officer, then as Deputy Collector (As-
sistant Commissioner) Tandur to be included in the Reserved
Forest Block 2 of Chincholi and the amount of compensation
has also been awarded as far back as 1955 and the compensation
has actually been paid by the Forest Settlement Officer during
1961.

In view of this, taking possession of the land
again under Section 16 (2) of the Land Acquisition Act 1894
does not arise.

A Since the possession of the land by the Lambadas
is unauthorised and illegal, the date from which the land was
declared under Section 4 of Hyderabad Forest Act, Section 91
of the Mysore Land Revenue Act 1964 can be invoked and the
Lambadas may be asked to pay twice the assessment for each
year of this unauthorised occupation and to a fine as deter-
mined by the Deputy Commissioner.

Orders of Government may therefore kindly be issued
on para 2 above when the Deputy Commissioner, Gulbarga will
be moved to invoke section 91 of L.R.A. 1964.

Yours faithfully,

D. S. K. K. K.
Chief Conservator of Forests. 17/8

Sub:- Request of Sri. Rupa Naik and others for
grant of land in S.Nos. 8 and 9 of Bhikanalli
village, Chincholi Taluk.

Ref:- Your No. AFD 1 FGN 64 dated 6-7-1965.

The land in question has already been acquired by
the Forest Settlement Officer, then as Deputy Collector
(assistant Commissioner) ~~Tankikar~~ Tandur to be included
in the Reserved Forest Block 2 of Chincholi and the amount
of compensation has also been awarded as far back as 1955
and the compensation has actually been paid by the Forest
Settlement Officer during 1962.

In view of this, taking possession of the land
again under Section 16 (2) of the Land Acquisition Act
1894 does not arise.

Since the possession of the land by the Lambadas
is unauthorised and ~~a~~ illegal, the date from which the land
was declared under Section 4 of Hyderabad Forest Act,
Section 91 of the Mysore Land Revenue Act 1964 can be
invoked and the Lambadas may be asked to pay twice the
assessment for each year of this unauthorised occupation
and to a fine as determined by the Deputy Commissioner.

Orders of Government may therefore kindly
be issued on para 2 above when the Deputy Commissioner,
Gulbarga will be moved to invoke section 91 of
L.R.A. 1964.

Respected Sir,

As long ago as 31-1-1964, I had submitted a representation (copy of which is enclosed herewith for ready reference) and I was told that a favourable endorsement was made by you. But so far, no information to this effect has been received by me.

I am thus put in a very doubtful and embarrassing position more so after the recent confiscation of the standing crop over the fields. I have already submitted is the only source of my livelihood and if this crop is confiscated all my people and myself in the Tanda have to starve .

As I have promised to pay Rs. 2464-28 in one lump in May 1964, kindly issue orders to release the ~~the~~ confiscated produce and stay the proceedings of eviction instituted against me till then.

Awaiting very early orders.

I remain, sir.

Respected Sir,

I, the undersigned beg to bring the following few lines for your kind consideration and faourable early orders.

I, beg to bring to your kind notice that S.No. 8 and 9 of Bhiknahalli village Chincholi Taluka, were in our possession and enjoyment since 50 to 60 years having been cultivated by 9 families. The owner of the land Smti. Rani Laxmi Bai has been paid the compensation and said land were included in Block No.II. of Chincholi Gulbarga District. But on our representation to the concerned authorities, it is agreed that land may be released to us on condition that the whole amount of Rs. 2875-0.S., (Rs. 2464-28 Np. I.G.) being the compensation amount paid to the owner Smti. Rani Laxmi Bai in a lump sum is paid to the ~~Forest~~ Forest Department.

I and other tenants agree that the whole amount of Rs. 2875-0.S. (i.e. I.G. Rs.2464-28 Np.) will be paid to the Forest Department in the month of May 1964.

I therefore request humbly that till the amount is paid the eviction proceedings now instituted by the Forest Department may please be stayed , and protect us from being ousted out from that place and grant the same land to us for cultivation which is only source of our living.
